

# Melton & Rutland Business Club

## Company Visit

Peter Collins Ltd

Thursday, 25 May 2006

Venue

Peter Collins Limited

*Pate Road, Melton Mowbray*

7:15 p.m.

This month's meeting finds us out and about when we visit a local company very much in tune with a special musical market.

Peter Collins Ltd is an unusual company which manufactures, repairs and restores pipe organs and we will have the chance to take a look at the processes which make up this highly skilled work.

Mr Collins runs the company and his work takes him all over the world installing new instruments and restoring old ones.

We meet at Peter Collins Ltd, Pate Road (part of the Leicester Road Industrial Estate) on Thursday 25 May at 7.15pm ready for our tour at 7.30pm.

We look forward to seeing you
